States and Caps #5

Directions:
1) Listen carefully to the numbers being called.
2) Write the number on the first line.
3) Round to the place value.
4) Follow the clues and color code the states.
5) Screen shot your map.
6) Glue map to the back of the paper.

1) Begin in the most north western state.
2) Go south and think of witches.
3) Move slightly south east. This capital has a mode of transportation.
4) Keep moving east. This capital has a food seasoning in its name.
5) Move south. This state's capital sounds like one letter but is really two.
