States and Caps #1

<http://www.history4fourthies.com/geography.html>

Directions:

- 1) Listen carefully to the numbers being called.
- 2) Write the number on the first line.
- 3) Round to the place value.
- 4) Follow the clues and color code the states.
- 5) Screen shot your map.
- 6) Glue map to the back of the paper.

- 1) Don't mess with \_\_\_\_\_ (It's a Lone Star state)
- 2) Go east from the Lone Star state. You pass one of these in a relay race.
- 3) Keep moving east. Here's an equation to give you a hint:  $i + s = 8$
- 4) Keep moving east. You can call me 'Al.'
- 5) Keep moving east. This state is peachy.
