<http://www.history4fourthies.com/geography.html>

Directions:

- 1) Listen carefully to the numbers being called.
- 2) Write the number on the first line.
- 3) Round to the place value.
- 4) Follow the clues and color code the states.
- 5) Screen shot your map.
- 6) Glue map to the back of the paper.

- 1) This state borders the central part of Canada on its north side. The capital city name rhymes with ballpark.
- 2) Move east to the state whose capital is saintly.
- 3) Move east to the state whose capital's name matches the name of a fourthie.
- 4) You have had enough of all of the cold weather in these northern states. You fly south east to the state that is a peninsula.
- 5) Travel northwest to the capital city where you can visit the Country Music Hall of Fame and Museum.
